CHOWAN COLLEGE LIBRARY
MURFREESBORO, N. C.

We give you this yearbook in hopes that it will bring back memories of a year well spent. We hope you will forget all the headaches you have had and let this be a pleasant remembrance of this school year. It is our intent that this book be read over and over through the years to bring back pleasant memories of days at Chowan College.

FOREWORD

To Mr. Leon Pharr Spencer in recognition of the great service he has rendered to Chowan College since his coming here over two years ago. He came when the weeds had thickly covered the campus and the dust had settled upon the interior. As the sickle met the weeds and the cloth absorbed the dust, so he met the problems and absorbed the worries in a warm and friendly manner magnanimously giving his valuable services toward Christian education. Thus we dedicate this yearbook to a man whom we have learned to admire and respect.

CONGRATULATIONS to the student body and particularly to the "CHOWANOKA" staff, class, and faculty representatives for achievements made in getting out the 1950 Chowanoka. We believe you have set a standard to be emulated by those who are to follow.

TO THE STUDENT BODY OF CHOWAN COLLEGE, we believe we have as fine a group of young men and women as there is to be found on any campus.

STUDENT COUNCIL

The Student Government Association of Chowan College was organized early in the fall term of this year in order to provide a just and democratic system of self-government for the student body. It is the purpose of this organization to further the interest of the student body, to control all matters of conduct, to develop self-control, responsibility, loyalty, and good citizenship.

All legislative powers of the student body are vested in the student government council, while the Men's and Women's Judiciaries are given the judicative powers.

The activities of the Student Government for its first year of existence have been those of organizing and establishing a firm foundation by which the student bodies of future years will be able to govern themselves and accordingly be recognized as an essential element in the activities of Chowan College.
